

INVITATION TO SPECIAL SESSION ON INNOVATIVE APPLICATIONS FOR KNOWLEDGE TRANSFER SUPPORT

01001001
01000011
01001001
01010011
01010100

ICIST
2019

25th International Conference on
Information and Software Technologies

October 10th – 12th, 2019,
Vilnius, Lithuania

SCOPE

The Knowledge Transfer is a generic approach which integrates both tacit and explicit knowledge transfer during the execution of a process through the network. In that context the session provides an excellent forum for scientists, researchers, engineers and industrial practitioners to meet and share experiences, theoretical knowledge or application examples based on the latest trends in methods, tools and systems for Knowledge Transfer Support as well as future directions and trends in dealing with the growing demand for the innovative applications. Authors are invited to submit full papers describing original research work associated with Innovative Information Applications for Knowledge Transfer Support related problems.

TOPICS

Authors are invited to submit full papers describing original research work associated with Information and Software Technologies for Intelligent Power Systems related problems in areas including, but not limited to:

- Knowledge-Based Systems,
- Expert Systems,
- Intelligent Knowledge - Based Systems,
- Data Mining Applications for Knowledge Transfer,
- Knowledge Discovery in Databases,
- Knowledge Representation and Management,
- Knowledge Acquisition,
- E-commerce/E-business,
- Intelligent Web Mining & Applications.

IMPORTANT DATES

25 05 2019 – Submission of papers.

17 06 2019 – Notification of acceptance.

28 06 2019 – Print ready paper submission.

SUBMISSION OF PAPERS

Authors are invited to submit their papers in English through the conference submission system. Submissions must be original and should not have been published previously. All papers will be peer-reviewed the ICIST 2019 Program Committee and judged with respect to their quality, originality, and relevance. For further details, please consult the conference web pages.

PUBLICATION

All accepted papers will appear in the ICIST Conference Proceedings Volume (published by Springer as a part of CCIS series) and submitted for indexing to Thomson Reuters ISI. Selected authors of best papers will be also invited to submit extended versions of their papers to Information Technology and Control journal (ISSN 1392-124X; Thomson Reuters ISI Impact factor 0,800 (2017)).

SPECIAL SESSION CHAIR

Prof. dr. Justyna Patalas-Maliszewska
University of Zielona Góra
Poland
j.patalas@iizp.uz.zgora.pl

SPECIAL CO-CHAIR

Prof. dr. Nadine Schlüter
University of Wuppertal
Germany
schlueter@uni-wuppertal.de

SPONSORED AND SUPPORTED BY

Kaunas University of Technology (KTU)
University of Wuppertal/Germany (UW)
University of Zielona Góra (UZ)

The International Conference on Information and Software Technologies (ICIST) is an international annual event, organized by Kaunas University of Technology. In 2019, the University will organize the 25th ICIST Conference from 10th to 12th October in Vilnius, Lithuania.
