## ICIST 2025

International Conference on  
Information and Software Technologies

16-17 October, 2025,

Lithuania

### SCOPE

This Special Session on E-Learning Technologies and Applications covers all IT related technical aspects of eLearning environments and systems. The session aims at bringing together researchers who are interested in the intersection area between the technological point of view and the student-centered view of information technologies for E-Learning. We invite you to submit a broad range of contributions related to the latest achievements and research in smart E-Learning.

### TOPICS

Authors are invited to submit full papers on:

- Educational Applications of Smart technology
- Artificial intelligence solutions in education
- Software and Hardware Systems for Education
- Intelligent Tutoring Systems
- Internet-of-Things (IoT) in E-Learning
- Educational games and Gamification
- Learning analytics
- E-Learning support systems

### IMPORTANT DATES

26 02 2025 – Submission of papers in EasyChair

<https://easychair.org/my/conference?conf=icist2025>

25 03 2025 – Notification of acceptance.

30 05 2025 – Final manuscripts due.

The International Conference on Information and Software Technologies (ICIST) is an international annual event, organized by Kaunas University of Technology. In 2025, the University will organize the 31st ICIST Conference from 16<sup>th</sup> to 17<sup>th</sup> October in Lithuania.

### SUBMISSION OF PAPERS

Authors are invited to submit their papers in English through the conference submission system. Submissions must be original and should not have been published previously. All papers will be peer-reviewed by the ICIST 2025 Program Committee and judged with respect to their quality, originality, and relevance. For further details, please consult the conference web pages.

### PUBLICATION

All accepted papers will appear in the ICIST Conference Proceedings Volume (published by Springer as a part of CCIS series) and submitted for indexing to Clarivate Analytics WoS. Selected authors of best papers will be also invited to submit extended versions of their papers to Information Technology and Control journal (ISSN 1392-124X; Clarivate Analytics WoS Impact factor 0,707 (2018)).

### SPECIAL SESSION CHAIR

Prof. Cengiz Hakan AYDIN  
Özyeğin University  
Turkey
